## Family Constellation Codes

## Relationship codes:

For parents and full siblings (as well as sibs with FAD\#s), record 00 followed by last two digits from FAD sheet. For other individuals, create 4 digit identifier, with the first two digits being in numerical sequence ( $01=$ for first person, $02=$ second person, etc).

## First Degree Parents

$001 \mathrm{x}=$ father (where x is 1 for a birth parent, 2 for an adopting parent, 3 for control parent) $002 \mathrm{x}=$ mother (where x is 1 for a birth parent, 2 for an adopting parent, 3 for control parent)

Siblings (where CAP FAD\# exists)
$00 \mathrm{xx}=$ brother (where xx is the last two digits of that sib's FAD number)
$00 \mathrm{xx}=$ sister $\quad$ (where xx is the last two digits of that sib's FAD number)
